MARKET NOTICE

Cemig in Dow Jones Sustainability Index for 16th year running

Cemig (*Companhia Energética de Minas Gerais*), a listed company with securities traded on the stock exchanges of São Paulo, New York and Madrid, in accordance with CVM Instruction 358 of January 3, 2002, as amended, **hereby informs** the Brazilian Securities Commission (CVM), the São Paulo Stock Exchange (BM&F Bovespa S.A.) and **the market** in general, as follows:

Cemig has again been selected for inclusion in the **Dow Jones Sustainability World Index** (the “**DJSI World**”), for 2015–16. This is its **16th consecutive year** in this index.

- **It has been included every year since the DJSI World was created in 1999.**

This year’s index includes 317 companies from 26 countries, chosen from among 2,500 companies in 59 industrial sectors.

- We see 16 consecutive years in this index as continuing recognition of Cemig’s determination to maintain its sustainable growth, motivated by creation of value for stockholders, employees and suppliers, and the well-being of society.
- **We believe that Cemig has established a position as one of the most sustainable companies in the world** – reflecting its vision of the future, and its commitment to best corporate governance practices.

We attribute the achievement to Cemig’s unfailing efforts – **continually improving its corporate sustainability practices**, while prospecting and establishing new businesses, and creating long-term value for its stockholders.
