MARKET ANNOUNCEMENT

Cemig again included in the Dow Jones World Sustainability Index (2017-18)

As part of its commitment to best corporate governance practices, **Cemig** (*Companhia Energética de Minas Gerais*), a listed company with equity securities traded on the stock exchanges of São Paulo, New York and Madrid, hereby **reports** to its stockholders and the market **as follows**:

Cemig has once again been selected for inclusion in the Dow Jones Sustainability World Index (‘the DJSI World’), for 2017–18.

Cemig has now been included in the DJSI World for 18 years, since the index was created in 1999.

This year’s DJSI World index comprises 320 companies in 29 countries, selected from among 2,500 companies in 60 sectors.

Cemig’s inclusion in this index for 18 consecutive years is a continuing reflection of its determination to maintain its sustainable growth, dedicated to creation of value for its stockholders, employees and suppliers, and to the well-being of society.

Cemig believes that its vision of the future, its commitment to continual improvement of corporate governance, and its actions to create long-term value for its stockholders have established it as one of the most sustainable companies in the world.
