Reply by CEMIG

Dear Ms. Ana Lucia da Costa Pereira,

In response to Official Letter 878/2021-SLS of June 17, 2021, Companhia Energética de Minas Gerais – CEMIG (“Cemig”) reports that proceedings are indeed in progress in the Legislative Assembly of Minas Gerais for establishment of the said CPI, which is at the stage of appointment of members.

For this reason, Cemig believes that there is so far no information which, in the light of CVM Instruction 358/2002, would justify disclosure of a Market Notice or Material Announcement on this subject.

Cemig notes that its management decisions are based on best corporate governance practices and compliance.

Further, all procedures adopted by the present management aim not only to preserve the equity value and property of Cemig, but also to ensure supply of electricity services with quality and safety to its clients.

Cemig takes this opportunity to reiterate its commitment to transparency and best market practices in communication with the market.

Belo Horizonte, June 18, 2021

Leonardo George de Magalhães
Chief Finance and Investor Relations Officer
