## Reply by Cemig

Dear Ms. Ana Lucia da Costa Pereira,

In response to B3 Letter 1409/2021-SLS of October 21, 2021, in which B3 requests information on the existence of any fact of which Cemig might be aware in relation to the recent variations in price of its shares, and the increase in the number of trades and volume traded, as per the tables above, Companhia Energética de Minas Gerais – CEMIG (‘Cemig’), hereby reports to you that it is not aware of any fact arising from its activities or business that could cause price variations, which has not been properly disclosed by Cemig in accordance with the terms of the specific applicable regulations, in particular CVM Instruction 358/2002.

Cemig takes this opportunity to reiterate its commitment to transparency and best market practices in disclosures to the market.

Belo Horizonte, October 22, 2021

**Leonardo George de Magalhães**

**Chief Finance and Investor Relations Officer**
