## MARKET ANNOUNCEMENT

### Cemig in São Paulo's ISE sustainability index for 17<sup>th</sup> year running

As part of its commitment to best corporate governance practices, **Cemig** (*Companhia Energética de Minas Gerais* – listed in São Paulo, New York and Madrid), hereby **reports** to its stockholders and the market:

For the 17<sup>th</sup> year running, Cemig has been selected for inclusion in the **ISE Corporate Sustainability Index** (*Índice de Sustentabilidade Empresarial*) of the São Paulo stock exchange (**B3**), for 2022.

The ISE index is a tool for comparison of performance of companies listed on the B3 in terms of corporate sustainability – based on economic efficiency, environmental balance, social fairness and corporate governance.

The new index includes 34 shares, of 15 sectors, with total market capitalization of R\$ 2 trillion – or 44% of the total market capitalization of all the shares traded on the B3 (at Nov. 30, 2021).

**Cemig** earned the maximum score in aspects such as quality of life and benefits, action on climate change, conduct in relation to conflicts of interest, and privacy of client data.

The fact that **Cemig** remains in the ISE Index is testimony to the company's continuous commitment to best ESG (environment, social and governance) practices – determining factors for sustainable growth – aiming to create sustainable value for its stockholders, employees, suppliers and the public.
