MATERIAL ANNOUNCEMENT

Taesa wins contract for 363 km transmission line

In compliance with CVM Instruction 44/2002 of August 23, 2021, (repealing Instruction 358 of January 3, 2002), **Cemig** (*Companhia Energética de Minas Gerais*, listed in São Paulo, New York and Madrid), hereby **reports** to the Brazilian Securities Commission (CVM), the São Paulo Stock Exchange (B3) and the market:

On December 17, 2021 **Cemig**'s affiliated company **Transmissora Aliança de Energia Elétrica S.A.** ('**Taesa**') published the following Material Announcement:

“ Transmissora Aliança de Energia Elétrica S.A. (B3: TAEE3, TAEE4 and TAEE11) ('**Taesa**') hereby **reports** to the market and stakeholders that it has been awarded Lot 1 in Transmission Auction 02/2021 held by the Brazilian electricity regulator, Aneel:

	Lot 1
Winning offer for RAP	R\$ 129,900,000.00
Discount	47.76%
Location – Brazilian States:	São Paulo, Paraná
Length	363 km
Structure	Double circuit
Substations	–
Capex – Aneel	R\$ 1,750,054,467.15
Construction period (Aneel)	60 months

The award of this lot has important synergies. It benefits from Taesa's existing Operation and Maintenance structure, as well as expected optimizations of capex, and early delivery of the project, which Taesa has habitually achieved.

The result of this auction consolidates Taesa's strategic positioning as one of Brazil's largest electricity transmission companies, and underlines its focus on the three strategic pillars of sustainable growth, generation of value, financial discipline and operational efficiency, backed by Taesa's commitment to transmit power with reliability, transparency and safety for the whole of society, respecting the environment and the interests of all stakeholders. ”
