## MATERIAL ANNOUNCEMENT

### Acquisition of Sete Lagoas 4 substation completed

Complementing its Material Announcement of July 27, 2021, and in accordance with CVM Resolution 44/2021 of August 23, 2021 (repealing Instruction 358 of Jan. 3, 2002), **Cemig** (*Companhia Energética de Minas Gerais* – listed with securities traded in São Paulo, New York and Madrid), **hereby informs** the public, the Brazilian Securities Commission (CVM), the São Paulo Stock Exchange (B3), and the market **as follows**:

Today **Cemig** concluded acquisition of 100% of the shares in **SLTE (Sete Lagoas Transmissora de Energia S.A.)** from **Cobra Brasil Serviços, Comunicações e Energia S.A.** and **Cobra Instalaciones y Servicios S.A.**

Total consideration for the transaction was R\$ 48,054,792.02 (forty eight million, fifty four thousand seven hundred ninety two Reais and two centavos) – the result of application, up to the closing date, of the price adjustment mechanisms agreed in the share purchase agreement.

**SLTE** won the concession for Lot H – construction and operation of the **Sete Lagoas 4 substation** in Sete Lagoas, Minas Gerais State – in Aneel Auction 008 of 2010.

The substation began operation in July 2014; the concession contract expires in June 2041.

This transaction expresses and underlines **Cemig**'s strategy of sustainable growth, with commitment to create value by investment in projects that contribute to expansion of its electricity transmission system.

Belo Horizonte, December 23, 2021.
