Dear Ms. Ana Lucia da Costa Pereira

B3 S.A. – Brasil, Bolsa, Balcão

In reply to Official Inquiry Letter 800/2019-SLS, of September 4, 2019, Cemig Geração e Transmissão S.A. (‘Cemig GT’ or ‘the Company’) reports that it is permanently assessing alternatives, in both the Brazilian and international markets, for improvement of its capital structure, lengthening of its debt profile and reducing its cost of its debt.

At present, however, no decision has been made in the Company’s corporate governance structure to raise funding in the capital markets for the purpose of making any repurchase, partial or total, of the Eurobonds issued in 2017 with maturity in 2014. The Company thus reports that there is no information which, in the light of CVM Instruction 358/2002, justifies disclosure to the market of a Material Announcement.

Cemig takes this opportunity to reiterate its commitment to transparency and best market practices in communication with the market.

Belo Horizonte, September 4, 2019
