## MARKET ANNOUNCEMENT

### *Judgment on Jaguará Plant concession adjourned further*

**Cemig** (*Companhia Energética de Minas Gerais*), a listed company with securities traded on the stock exchanges of São Paulo, New York and Madrid, in accordance with CVM Instruction 358 of January 3, 2002, as amended, **hereby informs** the Brazilian Securities Commission (CVM), the São Paulo Stock Exchange (BM&F Bovespa S.A.) and **the market** in general, as follows:

Today (August 14, 2014) Brazil's Higher Appeal Court (*Superior Tribunal de Justiça*, STJ) resumed its judgment on Application for *Mandamus* No. 20.432/DF, brought by Cemig GT for annulment of the decision of the Mining and Energy Ministry (MME) which had refused the Company's application for extension of the concession for the Jaguará Hydroelectric Plant under its Concession Contract No. 007/97.

This judgment had been adjourned earlier this year at the request of Mr. Justice Mauro Campbell Marques, who had requested full sight of the papers in the case at the judgment session of the court on this matter on May 14, 2014.

Today he again requested further extension of time for analysis of the case. As a result the judgment is once again adjourned. No date has yet been set for resumption of the judgment.

The interim injunction that was previously granted, under which Cemig remains in control of the Jaguará plant, operating the public service under its concession contract, until the judgment of the case, remains in force.

Cemig will keep its stockholders and the market opportunely and appropriately informed on the progress of this case.
