## MARKET NOTICE

### Sustainable practices keep Cemig in ISE Sustainability Index of São Paulo stock exchange for 14<sup>th</sup> year running

Reflecting its commitment to best corporate governance practices, **Cemig** (*Companhia Energética de Minas Gerais* – listed in São Paulo, New York and Madrid, hereby **reports** to its stockholders and the market:

The São Paulo stock exchange (‘B3’) has announced the new composition of its ISE Corporate Sustainability Index (*Índice de Sustentabilidade Empresarial*). Cemig is included in the index for 2019 – its 14<sup>th</sup> consecutive year – in effect from January 7, 2019 to January 3, 2020.

The portfolio of the ISE index is made up of Brazilian companies that are recognized in their various sectors for corporate sustainability – based on corporate governance, economic efficiency, care for the environment and social responsibility. Selection of companies for the index is conducted by the *Sustainability Studies Center* of the Getúlio Vargas Foundation (*Centro de Estudos em Sustentabilidade*, or GVces).

The new portfolio of the ISE has 35 shares, of 30 companies, in 13 sectors, with total market capitalization of R\$ 1.73 trillion – or 48.66% of the total market capitalization of all the shares traded on the B3 exchange (at Nov. 29, 2018).

Cemig believes this commitment is the determining factor in the coming years for its sustainable growth, directed toward creation of value for its stockholders and society as a whole.
