## NOTICE TO THE MARKET

**Cemig listed in the Dow Jones Sustainability Index for 25 years**

**COMPANHIA ENERGÉTICA DE MINAS GERAIS – CEMIG ("Cemig" or "Company")**, a publicly-held company with shares traded on the stock exchanges of São Paulo, New York, and Madrid, according to its commitment to adopting the best Corporate Governance practices, hereby informs its shareholders and the market in general that it has been selected, for the 25th time, to be part of the Dow Jones Sustainability World Index (DJSI World).

The Company is the **only company in the energy sector in the Americas** included in the list and one of the few corporations continuously featured since the creation of the indicator in 1999.

The DJSI World, prepared by S&P Global and audited by Deloitte, assesses the sustainability performance of 3,300 companies. A total of 73 companies were evaluated in the global energy sector, and only Cemig and seven other European companies were included in the index. The rigorous evaluation considers questionnaires, annual reports, public information, and the ability to create value for shareholders in the medium and long terms.

In 2024, Cemig's score improved by 6 points compared to the previous year. The company achieved leadership in the Transparency and Reporting, Renewable Generation, and Human Rights categories, consolidating its position as a benchmark in sustainability within the global energy sector.

Being included in the Dow Jones index for the 25th consecutive year is the result of the Company's meticulous ESG strategy and reaffirms its commitment to a more sustainable future, driving the energy transition in Brazil.

Further details on the socio-environmental practices adopted by Cemig are available in the sustainability reports at www.cemig.com.br.
