NOTICE TO THE MARKET

New ruling in Class Action regarding the Auction for the Sale of Small Hydroelectric Power Plants and Hydroelectric Generating Plants

COMPANHIA ENERGÉTICA DE MINAS GERAIS – CEMIG (“CEMIG”), a publicly-held company, with shares traded on the stock exchanges of São Paulo, New York, and Madrid, and **CEMIG GERAÇÃO E TRANSMISSÃO S.A. (“CEMIG GT”)**, a publicly-held company and wholly-owned subsidiary of CEMIG, hereby inform the Brazilian Securities and Exchange Commission (“CVM”), B3 S.A. – Brasil, Bolsa, Balcão (“B3”), and the market in general, further to the Notice to the Market of January 10, 2024, that a new ruling has been issued by the 2nd Court of Public Treasury and Government Agencies of the District of Belo Horizonte in response to a motion for clarification regarding the previous ruling in the class action filed against the Notice of Sale that was part of the Public Auction for the sale of Small Hydroelectric Power Plants (“SHPPs”) and Hydroelectric Generating Plants (“HGs”).

The new ruling declares the previous decision null and void, correcting a procedural defect. As a result, the ruling that had upheld the Class Action against the auction held on August 10, 2023, for the divestment of small-scale assets not included in the Company's Strategic Plan has been set aside. CEMIG will continue to participate in the legal proceedings, which will lead to a new ruling on the merits of the case.

CEMIG and CEMIG GT reaffirm their commitment to keep shareholders, the market in general, and other stakeholders duly and timely informed of this matter, under the rules issued by the CVM and legislation in force.

Belo Horizonte, March 24, 2025.

Vice President of Finance and Investor Relations
