MATERIAL FACT

Election of new Chief Executive Officer

COMPANHIA ENERGÉTICA DE MINAS GERAIS – CEMIG (“CEMIG” or “Company”), a publicly held company with shares traded on the stock exchanges of São Paulo and New York, pursuant to CVM Resolution 44/2021, hereby informs its shareholders and the market in general that, on this date, the Company's Board of Directors resolved to elect Mr. Alexandre Ramos Peixoto as Chief Executive Officer (CEO).

Alexandre Ramos Peixoto is a career engineer at CEMIG, with a strong academic background and extensive experience in the power sector. He holds postgraduate degrees in Quality Engineering and Management from PUC Minas and in Strategic Management and Planning from UFMG, and has an MBA in areas related to the energy sector. He has built a professional career spanning the main segments of the Brazilian Electricity Regulatory Agency (Aneel), the Ministry of Mines and Energy (MME), and the Energy Research Company (EPE). Since 2023, he has served as Chair of the Board of Directors of the Electric Energy Trading Chamber (CCEE). Prior to his role at the CCEE, he served as Chief Regulatory and Institutional Relations Officer at CEMIG.

CEMIG thanks Mr. Reynaldo Passanezi Filho for his dedication and leadership throughout his term of office. His management was marked by a significant growth cycle for the Company, consistent advances in operational efficiency, and record-high levels of investments, strengthening CEMIG's strategic position and contributing to value creation for shareholders and society.
