RELEVANT FACT

COMPANHIA ENERGÉTICA DE MINAS GERAIS – CEMIG (“Cemig” or “Company”), listed and traded in São Paulo, New York and Madrid, hereby announces, pursuant to CVM Instruction No. 358 of January 3, 2002, as amended, to the Brazilian Securities Commission (CVM), to B3 S.A. - Brasil, Bolsa, Balcão (“B3”) and the general market, which its subsidiary, Companhia de Gás de Minas Gerais (“Gasmig”), on September 19, 2019, executed with the State of Minas Gerais, as Granting Authority, the Third Amendment to the Concession Agreement for Industrial, Institutional and Residential Exploration of Pipeline Gas Services in the State of Minas Gerais (“Amendment”).

The execution of the Amendment represents the conclusion of the economic-financial rebalancing process of the Concession Agreement, which assures Gasmig the extension of its concession term until 2053.

The economic and financial rebalance consists of replacing the contractual obligation assumed by Gasmig to construct the gas pipeline to service the Unidade de Fertilizantes Nitrogenados (UFN-V) that would be built by Petróleo Brasileiro S.A. - Petrobras, in the region of Triângulo Mineiro, by paying a consideration to the Granting Authority, as a granting bonus, in the amount of BRL 852,000,000.00 (eight hundred and fifty-two million Brazilian Reais), at the base date of January 2019. The payment of the compensatory grant shall be made by Gasmig, through the issuance of debt securities in the capital market, and shall be considered as regulatory intangible assets and, therefore, incorporated in the calculation basis of the compensation of the concession assets.

The Company reiterates its commitment to keep its shareholders and the general market timely informed in accordance with applicable laws and regulations.
