MARKET ANNOUNCEMENT

Cemig wins position in select CDP Water Security “A list”

Cemig (*Companhia Energética de Minas Gerais* – listed and traded in São Paulo, New York and Madrid), hereby reports to its stockholders and the public as follows:

On February 3, 2020 Cemig was recognized for excellence as a global leader in sustainable water management by inclusion in the “A list” of the **Water Security Program** of **CDP** (the worldwide Carbon Disclosure Project) – and was the only electricity company in Latin America to be given this recognition.

Historically, **Cemig** has repeatedly received recognition from leading Brazilian and international institutions for its sustainable development policies and practices.

Two recent recognitions provide examples:

- January 22, 2020: **Cemig** was rated the most sustainable electricity company in the Americas – and 19th worldwide in the ranking of the 2020 **Global 100 Most Sustainable Corporations in the World** survey by **Corporate Knights** magazine of Canada.
- January 31, 2020: **Cemig** was recognized for its degree of efficiency in measuring, publishing and monitoring greenhouse gas emissions by inclusion in the **ICO2 Carbon Efficiency Index of B3** (the São Paulo Stock Exchange).
