MARKET ANNOUNCEMENT

Capital expenditure of Cemig D and GT

Cemig (*Companhia Energética de Minas Gerais* – listed and traded in São Paulo, New York and Madrid), hereby **reports** to its stockholders and the market as **follows**:

- In **2019**, Cemig invested capital expenditure of R\$ 986 million in distribution, R\$ 26 million in generation, and R\$ 223 million in transmission.

This investment was made in:

- connection of approximately 128,000 new clients; and
 - modernization of the base of assets, to reduce costs of operation and maintenance, providing improvements in quality indicators and increased satisfaction for clients.
- For **2020–2024**, Cemig has scheduled further capital investment, of R\$ 10.4 billion.

The total investment scheduled for 2020 alone is R\$ 2 billion, of which R\$ 1.7 billion will be invested in the distribution company **Cemig Distribuição S.A.** (**‘Cemig D’**) – probably the largest investment by a distribution concession holder in Brazil – as follows:

Cemig – Capex scheduled for 2020 – R\$ million
