NOTICE TO THE MARKET

COMPANHIA ENERGÉTICA DE MINAS GERAIS – CEMIG (“CEMIG” or “Company”), a publicly held company with shares traded on the stock exchanges of São Paulo, New York, and Madrid, hereby informs the Brazilian Securities and Exchange Commission (CVM), B3 S.A. – Brasil, Bolsa, Balcão (“B3”), and the market in general, that the last meeting of Cemig's Board of Directors approved the adherence to UN Global Compact's Net-Zero Coalition.

Through this initiative, companies commit to taking more drastic and immediate actions to halve global emissions by 2030 and zero net greenhouse gas emissions by 2040.

Cemig is committed to two main goals: reducing the intensity of greenhouse gas emissions by 2030, aligned with the target limit recommended by climate science to limit global warming to 1.5°C above pre-industrial levels, and the ambition of zeroing net carbon emissions by 2040, in line with the Company's Strategic Planning, notably by increasing energy generated by renewable sources.

Through this commitment, Cemig shows that its actions are aligned with the goals set out in the Paris Agreement and the United Nations 2030 Agenda for Sustainable Development and contribute to reaching the sustainable energy transition.
