PUBLICLY HELD COMPANY**

Corporate Taxpayer's ID (CNPJ): 17.155.730/0001-64

Company Registry (NIRE): 31.300.040.127

NOTICE TO THE MARKET

Acquisition of 100% of stake in Special Purpose Entities owning photovoltaic plants with 16.2 MWp of installed power.

COMPANHIA ENERGÉTICA DE MINAS GERAIS – (“CEMIG or Company”), a publicly held company with shares traded in the stock markets of São Paulo, New York, and Madrid, hereby informs to the Brazilian Securities and Exchange Commission (CVM), B3 S.A. – Brasil, Bolsa, Balcão (“B3”), and the market in general that, today, it approved the acquisition, through its wholly-owned subsidiary **CEMIG SOLUÇÕES INTELIGENTES EM ENERGIA S.A.** (“Cemig SIM”), of 100% of the stake held by GENESYS PARTICIPAÇÃO SOCIETÁRIA LTDA. and Mr. Antônio Carlos Torres in Special Purpose Entities (“SPEs”) owning three photovoltaic plants located in Minas Gerais.

The conclusion of the transaction is subject to compliance with usual conditions precedent for this type of acquisition. The total amount to be disbursed by Cemig SIM will be approximately R\$100 million, as the plants become operational, whereby the Prudente Morais Photovoltaic Plant is expected to become operational in July, the Montes Claros Photovoltaic Plant in September 2022, and the Jequitibá Photovoltaic Plant in February 2023.

The plants will supply around 2,500 customers in the low-voltage commercial and industrial market, with an expected emission reduction of 4,000 tons of CO₂/year.

The transaction reinforces the Company's sustainable growth strategy in the Distributed Generation market, with the commitment to creating value through investments in projects that contribute to the diversification of its portfolio, focused on renewable energy sources and improvement of the electrical matrix of the Minas Gerais State.
