### NOTICE TO THE MARKET

**COMPANHIA ENERGÉTICA DE MINAS GERAIS – CEMIG (“CEMIG” or “Company”)**, a publicly held company with shares traded in the stock markets of São Paulo, New York, and Madrid, according to its commitment to adopt the best Corporate Governance practices, as amended, hereby informs its shareholders and the market in general that it was, once again, recognized in the Global Sustainability Award by Standard & Poor's, the organizer of the Dow Jones Sustainability Index (DJSI), with the “Bronze Seal” (Top 10% S&P Global ESG Score), placing Cemig among the most sustainable companies in the world.

Because of this recognition, the Company is now included in “The Sustainability Yearbook 2023”, which highlights 708 leading organizations in sustainability this year, corresponding to US\$84 trillion in market value. The position of each company in the list was defined according to their respective ranking in the S&P Global ESG Scores, which was calculated based on the Corporate Sustainability Assessment (CSA). Only 3 Brazilian electricity companies are on the list and Cemig was ranked first place among them.

By maintaining its listing in the Yearbook, Cemig demonstrates the Company's ongoing commitment to adopting the best ESG (environmental, social, and governance) practices, which are determining factors for sustainable growth aimed at creating value for its shareholders, employees, suppliers, and society.
